

# GROW LEADERS NOW SURVEY

**INSTRUCTIONS:** Please read each sentence and put an X in the box that best describes you as a leader.

	Absolutely	Most of the Time	Pretty Much	Barely	Needs Help
1. I passionately articulate our vision.					
2. I know how to help others “get it” and replicate results.					
3. I know how to inspire, motivate and lead with speed.					
4. I leverage others to lead.					
5. I eat tolerations for lunch.					
6. I develop bench strength.					
7. I pave the way for others to manage it all.					
8. I redefine the game to win it all.					
9. I look for A-game employees.					
10. I move fast and inspire the team to do the same.					

*“Bethany’s honesty, wisdom and commitment to our leaders has been a valuable tool in moving them forward quickly.”*

– Lori Bachman, Director-Workforce Development, Verizon

*“Bethany has raised our business acumen as well as our level of execution exponentially. We are functioning at a higher level than ever before.”*

– Amber Antolik, Director, Business Improvement, TAC Americas

**So where are you on this scale? How we can help:**

**Leadership Coaching** – developing individuals/teams

**Leadership Training** – only when it makes sense/focused

**Leadership Programs** – simulations, experiences and projects designed for each individual
